WALK & TALK WITH A DOCTOR: SHOULD I BE SCREENED FOR LUNG CANCER?

THURSDAY, OCTOBER 6 – 5:30 PM

Temple University Hospital – Jeanes Campus Walking Trail at Main Entrance

David R. Manoff, MD

Temple Pulmonologist

Lung cancer is the #1 cause of cancer-related death in the U.S. When cancer is caught early, it's more likely to be treated effectively. Join Dr. Manoff as he walks on the Jeanes Campus Walking Trail and discusses why it is important for people at risk for lung cancer to get a screening done.

INDIGESTION? IT COULD BE GALLSTONES

THURSDAY, OCTOBER 13 – 6:30 PM

Temple University Hospital – Jeanes Campus, Cheltenham Friends Meetinghouse

Sanjiv Dewan, MD

Temple General Surgeon

After a meal, you may have a strange pain in your stomach—is it gallstones or indigestion? Symptoms for both are similar and very common. How do you know the difference? Dr. Dewan will discuss the differences and when to seek treatment from a specialist for your abdominal pain.

ARE YOU AT RISK FOR KIDNEY STONES?
