

QUESTIONS TO ASK AT YOUR ORTHOPAEDIC APPOINTMENT

- **Can you go into more detail about my condition or injury?**
- **What is your experience in treating this knee, hip or shoulder condition?**
- **Is there anything I need to consider when deciding on the best treatment for me?**
- **What treatments are available for this joint condition or injury?**
- **Why might I choose one treatment over another?**
- **What are the risks associated with the treatment?**
- **What happens if I decide not to proceed with treatment?**
- **How long can I expect the benefits of this treatment to last?**
- **What is the process for proceeding with this treatment?**
- **What does the recovery process look like?**
- **How long will it take to see results?**
